about me

Sara Syrett

I am a mother of 4 and a German Shepherd do and a wife to my DIY partner in crime. I live in a small town and love the farm life we are creating together. It may be a lot of work, but there is nothing we do better than work hard. I am inspired everyday from the life around me.

ABOUT MY BLOG

Twelve On Main is a place that people can come to for inspiration.. Are you looking for someone who can represent your company with integrity and is One-Hundred percent committed? I started this blog as a creative outlet to display my deep desire for all things DIY, Interior Design, and Home Improvement and it has grown into a resource for those looking for inspiration in all aspects of their life.
